Albuquerque Dermatology Associates and Cutaneous Surgery Center has three highly qualified skin care specialists who are able to provide for all aspects of your skin care needs. Sky Connolly, M.D., F.A.A.D. and Suraj G. Reddy, M.D., F.A.A.D. are certified by the American Board of Dermatology and are Fellows of the American Academy of Dermatology. Colette De Marrias, D.C.N.P. is certified in Dermatology, Women's Health Care and Family Practice.

Dr. Connolly possesses knowledge acquired from the completion of internal medicine and dermatology residencies, in addition to completing a Mohs Micrographic Surgery, Facial Reconstruction and Laser Fellowship. Dr. Connolly offers the highest quality of skin cancer removal and cure and has expertise in facial reconstruction. Dr. Connolly also offers the best in cosmetic procedures, including Botox® and dermal fillers, such as Juvederm™ and Restylane™ for correction of fine lines and wrinkles.

Dr. Reddy employs extensive knowledge in the diagnosis and treatment of common and complicated dermatologic conditions. He possesses outstanding surgical skills, and is an expert in cosmetic treatments including Botox®, dermal fillers such as Juvederm™ and Restylane™ and laser treatments for tattoo removal, facial and leg veins and age and sun spots.

Colette De Marrias is one of only a handful of dedicated nurse practitioners that has received dermatology certification by the Board of Nurse Practitioners. Her years of experience and alliance with Dr. Connolly and Dr. Reddy make her an excellent resource for dermatologic care at the facility. Her care extends from general dermatologic needs to surgical treatments.

Albuquerque Dermatology Associates has been providing excellence in dermatologic care in all facets for more than 30 years, and they wish to continue providing excellence in skin care for years to come.

In addition to their medical office, their physician-supervised Fountain of Youth Day Spa has estheticians available for waxing, facials and microdermabrasion. The spa offers various product lines, including La Roche Posay, Jane Iredale and EltaMD for skin care and cosmetic needs.
